

SMALL BUSINESS SATURDAY SCAVENGER HUNT!

Shoppers look for the candy cane icon in the participating small shops and check off at least 8 shops where they find the candy cane icon. Please do go into each shop you check off, cheating will put you on Santa's NAUGHTY list, shopping local will put you on Santa's NICE list! This year there's also a Hidden Gems section for shops off the beaten path, and Adults Only section with bars and liquor stores.

Participating shops (listed below, with an emphasis on bringing folks into shops they may be less familiar with) will have game cards and the candy cane icon on Saturday, 11/25 - the nationwide day celebrating supporting small independent businesses. Please also shop at small businesses not listed, we weren't able to contact - or fit on the card - all 300+ small Livingston businesses.

Bring the game card to Light Up Livingston Celebration in the Depot Park by 5 pm for the drawing for thousands of dollars in gift cards and gifts donated by small shops, Light Up Livingston Tree Ornaments and insulated Livingston tumblers for the grown-ups, and winter hats and scarves from the Tourism Business Improvement District for the kids. Donated gifts include two Parks Reece prints, two wool blankets from Alpine Peaks Country Store, a handcrafted necklace from Dawn Josephine, silk scarf and certificate for a palm leaf hat from Yellowstone Hat Company, three certificates towards a painting or drawing at Soul Dog Studio, a handcrafted leather belt from St. John's Supply, a Love Maxi Chambry bag from LadySmith Boutique, a pewter bracelet from Silver and Pewter Gifts, an ornament and gift card from High Trash Boutique, gift baskets from Dangling DooDads and Lyon's Mane Salon, a journal from Elk River Books, a Cactus Blossom Collective tote with over \$100 in gifts, eye shadow and beauty bucks from Happy Feet & Hands Day Spa, caps and water bottles from Dan Bailey's Outdoor Co., \$300 in gift cards from the Kitchen Shop, and gift cards from Fireflies, Unwined Bar & Casino, Spur Line, Copper Moose Oil & Vinegar, Livingston Bar & Grille, Curated Closet, Out Of The Blue Antiques, Coffee Creek Espresso, Tru North Café, the Frame Garden, Ancient Elements Massage, Bob's Outdoor, and more.
